# SONADA A DISAPPOINTMENT

KENTUCKY DERBY CANDIDATE MAKES POOR SHOWING AT LEXINGTON.

Is Beaten by Manager Mack and Sir Blaise in Race Which He Was Supposed to Have at His Mercy-The Manager Works.

Lexington, Ky., May S.—Today's racing at the Kentucky Association track carried with it frequent disappointments to the speculators and numerous upsets. The chief surprise was furnished by the defeat of Sonada, considered a keen factor for Kentucky Derby honors. He was opposed by Manager Mack, Sir Blaise and Guaranola, a trio he was held to outclass, but the best he could do was to finish in third place. Manager Mack and Sir Blaise leading him to the finish. His backers felt confident during the early stages when he showed the way to the others, but when fully straightened for the stretch drive, he succumbed in ready fashion under punishment. There was some who were inclined to believe that Sonada was unfit and lacked condition for a hard contest. The majority, however, think he is grossly overrated and far inferier to Worth and The Manager. He was an overwhelming choice to beat the band that opposed him this afternoon.

In the opening race All Red was the public choice, while, the "wise" money went to the spport of Sleeth. All Red was taken up sharply by jockey loftus as the barrier was released and was virtually left at the post. Sleeth was crowded by Night Mist and Terrible Boy at the start, but he was soon free of the interference and came home alone. "Why did you take up that horse? asked starter Cassidy of Loftus when he returned to the stand. "Because some other horse interefered with him," replied Loftus. "There wasn't a horse within four feet of you, boy," retorted Mr. Cassidy. "You pulled loin up without warrant or justification; I suspend you for the remainder of the uncetting and I am going to report you to the judges." Mr. Cassidy made his renort to the officials and they are now conducting an investigation into the race. Trainer Fred Luzder says he backed All Red away from the track. The Breeders' Consolation purse for colts and geld, ings was almost a walkover for Foundation, the whore he starter raised the webbing. Barbara Worth showed a much improved performance in the econd when she outgamed K

price of \$300 and was bid in. Steeth, in for \$500, was raised \$105 over his entered price and was also retained.

Henderson & Hogan's Derby candidate, Guaranola, was worked out a mile and a quarter in connection with his effort in the fourth race, and negotiated the full distance in 2:11. Sonada was also sent on an additional quarter after his mile run in the fourth race, and finished a tired horse.

Grover Baker and L. H. Adair were among to any's visitors. The former made arrangements to ship First Peep, which has been turned out, to bujsville, where she will be put in training.

E. R. Bradley's string of racers will be shipped to Louisville on Friday next.

Lack of cars is interfering with the shipment of horses from here, and several of the belated ones will not be able to get to Louisville until the early part of next week.

Jack Baker was greatly put out when he reached his barn this morning and found that Joe Morris' bad leg had filled as a result of his race in the Camden Handicap. Joe Morris bowed a tendon last year and trainer Baker says he will have to be careful with him lest he goes completely to the bad. Lames B. Haggin was among the visitors today. It was his first time at the course since the opening of the meeting.

Chairman E. F. Clay, of the Kentucky State Race for Commission, was also out for the first time this

In with him lest he goes completely to the bad.

James B. Haggin was among the visitors today. It was his first time at the course since the opening of the meeting.

Chalrman E. F. Clay, of the Kentucky State Racing Commission, was also out for the first time this afternoon. Colonel Clay is just recovering from a severe illness.

After the last race, T. C. McDowell ordered out The Manager, mounted by the veteran colored rider, Hicks, at 122 pounds, to go one mile and a quarter in preparation for the Kentucky Derby at Churchill Downs next Saturday. The son of Voter and Bracegirdle galloped most impressively and was just a bit tired at the end of his journey. "I'd rather he'd be tired here and now than down at Louisville next Saturday." remarked Mr. McDowell, who from the timer's stand caught the colt in 2:08½. Some watches had the work in 2:08 and others had it variously up to 2:09. John Rodegap and W. H. Karrick, the former standing in the infield and the latter in the grandstand, caught it in 2:09. and Mr. Rodegap made the fractionals thus: 12½, 2:23½. 136½, 1:48½, 1:00½, 1:12½, 1:26, 1:40½, 1:54, 2:09. The Manager will be shipped to Louisville tomorrow evening or Friday morning.

Catesby Woodford's horses will be shipped to Churchill Downs tomorrow.

The horses of Luke Le Blond and Archie Zimmer will be shipped tomorrow to the Woodbine track at Toronto for the meeting which begins there May 18. The consignment will include Caugh Hill, Charley Brown, Gold Mine, Cheer Up and Fawn.

There was little fast work induged in by the trainers this morning. Among the best were:

Affable—Five-eighths in 1:03½.

Helmet—Three-quarters in 1:18%.

Ocean Bound—Three-quarters in 1:19.

Orcen—Mile in 1:50.

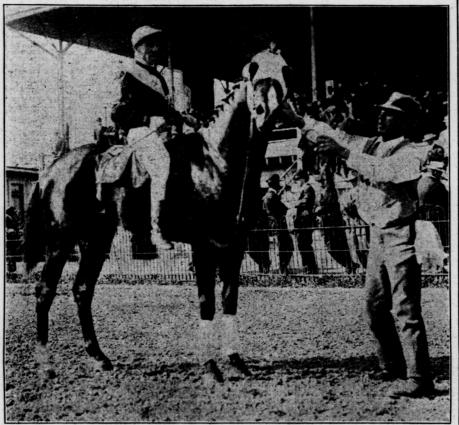

# WORTH ARRIVES AT LOUISVILLE.

Kentucky Derby Favorite Now Quartered Churchill Downs-Day of Slow Trials.

Louisville, Ky., May 8.—Worth, the Derby favorte, arrived today at 11 o'clock from Lexington
in charge of his trainer, Frank M. Taylor. The
great colt came in a car attached to a passenger
train. He shipped in fine condition. A big crowd
witnessed the unloading of the horse at the Downs.
Unquestionably he looks to be in perfect condition.
Trainer Taylor said that Worth, in his opinion,
would surely win the Derby. The Manager will
come from Lexington tomorrow. The McDowell
Derby candidate will surely start unless the course
should be heavy.

Kentucky Derby candidates had a respite from fast
work this morning at Churchill Downs. In order to
give the track a chance to thoroughly dry out, Superintendent Keegan kept the "dogs" up until about
cleven o'clock. Many horses, however, were cantered. The fastest mile was by Labold, in 1:48%,
He pulled up the mile and an eighth in 2:02%, His
fractional time was :13, :26%, :39%, :52%, 1:05%,

## IMPOSING CREDENTIALS OF A LEADING CANDIDATE FOR THE KENTUCKY DERBY

H. C. HALLENBECK'S WORTH, BR. C. 3. BY KNIGHT OF THE THISTLE-MISS HANOVER.

Worth was the best two-year-old colt of 1911. Whether Worth is to be presently acclaimed the leading three-year-old of 1912 is a matter of awaiting proof. His only race this year was at Lexington, May 1, and in this he finished second to the fast four-year-old, Grover Hughes, at three-quarters of a mile in 1:13. By the scale of weight for age he was conceding the winner ten pounds and, not being quite fit, his race was really an excellent performance. Grover Hughes is a somewhat erractic racer, but is gifted with the speed of the wind and liable to take the measure of anybody's horse when it comes to sprinting. That the race was beneficial to Worth was indicated in a workout a day or two later on in which he gave an exhibition of remarkable speed, conveying the impression that no horse to contend with him in the Kentucky Derby will excell him in that essential to success in horse racing.

Last year Worth won ten races out of thirteen starts, being second once and twice unplaced. In the way of stake racing he won the Raceland Stakes at Lexington and Bashford Manor Stakes at Louisville, his chief achievement in money winning attending his success in his \$10,000 match with Sprite at Latonia, being great natural endowment with speed were afforded last year in his half mile in :172%. Other examples of his great natural endowment with speed were afforded last year in his half mile in :47%, four and a half furlongs in :53, five-eighths of a mile in 1:00 and five and a half furlongs in 1:06. In this latter race he defeated such speedy older horses as Follie Levy, Jim Basey, Raleigh P. D., Sylvestris and Jim Gaffney. A performance of this kind by a two-year-old is always held to be uniqueachable evidence of the possession of superior merit as a race horse. It is the inclusion of such horses as Worth, The Manager and Sonada in the list of starters in the big race at Louisville next Saturday that invests the Kentucky Derby of this year with a measure of interest vastly in excess of anything attending its decision for many

Seven of the horses R. F. Carman has been racing at Lexington have arrived at the Downs. They are Sir Alvescot, M. Cambon, Figola, Colonel Ashmeade, Compton, Dynamite and Jessup Burn. He has only two horses now at Lexington, Merry Lad and Elizabeth Harwood, and they will be shipped to the Downs Friday morning.

Two stables arrived at the Downs from Lexington this morning, they being the strings of C. C. Van Meter and F. D. Weir. In the Van Meter string were the two-year-olds Cream, General, Blue-Beard, Lead Lightly and Nobby, the latter being the stable's only winner at Lexington. Mr. Weir has a useful band of selling platers and the two-year-

old Miss Edith, which is eligible to both the Juvenile and Debutante Stakes, is also in his string.

The noted sprinter, Al Muller, owned by J. R. Wainwright, is sick at the Downs with an attack of pneumonia. Veterinarian Talbot is much concerned over the gelding's condition, but thinks he will be able to pull through. Al Muller is low in flesh and even if he lives through his present attack he will do no racing in the near future.

Grover Baker was an arrival today at the Downs but later left for Lexington to bring back his noted long-distance mare, First Peep, which has not been raced since last fall, and which he has been informed is doing well.

T. C. McDowell moved today to the Downs the twelve horses he has had quartered at Douglas Park since March.

The lightweight jockey, C. Miller, has arrived

twelve horses he has had quartered at Douglas Park since March.

The lightweight jockey, C. Miller, has arrived here. He is in the employ of A. F. Dayton, who also holds the contract on the good rider, C. Peak. Mr. Dayton has only two horses in training here, but he is talking about shipping soon from the winter ranch at Reno, Nevada, some stock of his own raising. He has a trio of three-year-old fillies at the ranch which have never been trained, they being by the noted horse. Rey del Sierras, and out of the good race mares, Soufriere, Serenity and Cantoon. He recently lost a two-year-old by Rey del Sierras—Soufriere and has only one two-year-old filly, but all three mares now have yearlings at the ranch. Mr. Dayton had the misfortune to lose his great mare Neva Lee. She was cut down in a race at Oakland, Cal., and though able to get to the ranch, never lived to drop her colt. One of the great races she ran was in the Twin City Handicap, that year worth \$14.055, in which she was just beaten by the light-weighted Fine Cloth. Miller rode a few races at Charleston last winter merely to get in form for the Kentucky circuit racing. He can ride as light as ninety-eight pounds. One of the Dayton horses he now has here, Ragman, pulled up sore in his work today.

Tod Cella, racing partner of Lon Johnson, who has a string of horses at the Downs, wired today from St. Louis that be would arrive here on Friday with quite a party of St. Louis turfmen who will come as his guests to see the running of the Kentucky Derby.

# PAWHUSKA REDUCES ALAN RECORD.

Spokane, Wash., May 8.—A handicap at five and one-half furlongs attracted a good field of sprinters at Alan today and Pawhuska, the winner, lowered the track record by two-fifths of a second. The big brown son of Chappaqua and Mercedita went into the lead at once and never relinquished it at any time. He was challenged by Delaney and Jim Basey, but stood them off. Enfield broke fast, but was outrun in the early stages. He came with a rush into a fast going second at the end.

Two favorites rewarded their backers,

-Honey Bee Wins for John Whalen.

Baltimore, Md., May 8.—Racing at Pimilico this afternoon was not up to the high standard of the previous days of the meeting. The program offered by the club was of mediocre calibre, while the track was deep and heavy. A majority of the winners gallopped home with long leads. Three of the favorites finished first, two of them being at odds-on. An owners' handicap steeplechase which was meant for a feature was spolled when Yourell, who had the mount on Garterman, went outside the course going to the third fence, carrying the heavily backed second choice, Algie, out with him. St. Abe was made favorite and a short price was accepted about his chances. When Algie was carried out all opposition was removed and St. Abe, taking an easy lead when ready, cantered home with a margin of fifteen lengths separating him from Zellwood. The stewards evidently were of the opinion that Yourell deliberately carried Algie out, for they promptly suspended him for the rest of the meeting.

Honey Bee, running in the colors of John Whalen, made her opposition in the opening dash look cheap. There was a well circulated tip on Stockton and he was backed from 8 to 1 to 3 to 1. He showed a diash of speed for a quarter, then quit and finished beaten off. Honey Bee was the first winner that ever carried Mr. Whalen's colors. The latter handled August Belmont's horses lest season, but is racing a small string of his own this season. He purchased Honey Bee from Albert Simons recently. Mr. Simons has a hand of thirty-flav two-year-olds the property of Harry Payne Whitney, and it is his intention to dispose of the entire lot during the season. R. 1, Miller purchased one of them, Grosvenor, this afternoon.

The Wilson stable furnished the winner of the season. R. 1, Miller purchased one of them, Grosvenor, this afternoon.

With fine weather and a good track some interesting moves by King's Platers were seen at Woodbine this morning. He led Tropacolum a mile in 1:43%, and a mile and a quarter in 2:13½ without much trouble. From the Seagram stable, Rustling and Havrock worked with Rockville a mile in 1:47, while Head Sea beat off Longus and Purple China in half a second slower time at the same distance. The Gorman mares did a mile in 1:47 and a mile and a quarter in 2:18. Calumny stayed better than Marybud, but they traveled the first mile in 1:43%. # GOOD RACING FOR OKLAHOMA CITY.

Oklahoma City, Okla., May 8.—This locality seems destined to enjoy the best racing ever given hereabouts during the forthcoming meeting of the Oklahoma City Jockey Club. June 6 to July 4. The three stakes that recently closed attracted a record-breaking entry list, in which some horses of good quality figure. The class of the entries is vastly superior to that of former meetings and Secretary I. S. Mahan is satisfied that the approaching meeting will be the most successful in the history of local racing. Many improvements are being made at the State Fair track, some of which pertain to the installation of the pari-mutuel system of betting, which will be the exclusive method for speculation. Entries for the various stakes total as follows:

### NOTES OF THE TURF.

W. W. Finn is reported to have purchased a house in Spokane and a farm at Post Falls, near the Alan track, with the idea of making his home in the Northwest.

H. P. Whitney won his first race of the season in England April 26 when his gelding by Broomstick—Heart's Desire accounted for eleven others in the Juvenile Selling Plate at Sandown Park meeting. The youngster outstayed the Miss Chiffinch filly in such smooth style that the latter's owner was induced to go to a big figure for him, paying \$3,024 in the run-up that followed the race.

In giving evidence before the New South Wales Totalisator Commission in Melbourne, Mr. T. C. Bookmakers on the lawn were required to pay \$150 a year, and a clerk's fee of \$2.50 for the right to bet. On the flat bookmakers were charged \$50 with a clerk's fee of \$2.50. There were about eighty bookmakers inside, and about 150 on the flat. These were registered, and they paid \$20,000 in fees. The V. A. T. C. gave away about \$175,000 a year in prizes.

#### GOOD HORSES IN MONTREAL STAKES.

Montreal, Que., May 8.—The entries received for the five stakes to be run during the spring meeting of the Montreal Joekey Club, June 1-8, show plenty of excellent racing material. The increase in the values of overnight purses and the addition of the Connaught Cup will make the racing at Blue Bonnets this spring more attractive than ever. The book for the meeting is sure to meet with the approval of the horsemen generally and will be mailed to them by the end of the week. There are stabling accommodations at Blue Bonnets for over 600 horses, which will be more than will come in all probability. The stalls are all in splendid condition and are now ready for the reception of the early comers.

#### WESTERNERS INTERESTED IN NEW TRACK

New York, May S.—Former Congressman Joseph L. Rhinock, of Covington, Ky., is the moving spirit in the new association that has been organized to conduct racing at Havre de Grace, Md. Associated with him are George B. Cox of Cincinnati, J. B. Respess of Covington, and prominent Marylanders, the latter including some influential politicians. The land on which the new track will be built has been acquired for \$20,000 and the plans call for an expenditure of \$125,000 for the construction of the track, grandstand and other necessary structures.

The track will be located directly on the banks of the Susquehanna River in what is considered one of the most beautiful spots in all America. The grounds include 193 acres, about thirty-eight miles from Baltimore and forty-eight miles from Philadelphia. Both the Pennsylvania and the Baltimore & Ohio Rairoads run through the land that has become the property of Mr. Rhinock and his associates. Each company will build a handsome railroad station in close connection with the track. Mr. Rhinock has arranged with each company for a 50-cent round-trlp chair car fare.

The former congressman has made a number of visits to Havre de Grace. He has walked and has studied out its connections with Philadelphia and Baltimore and from every other standpoint and believes that he has got hold of a great place for racing.

Contracts already signed call for the making of a mile race course and the erection of grandstand, betting shed, paddock and all other buildings so that racing may begin early in September for a sixty-days period.

Fine turnpikes connect the property with Philadelphia and Baltimore, permitting automobiling and driving from each city.

Let me wire you 2 or 3 times a week. Bookmakers wax fat because 95 per cent. of their patrons attempt he impossible feat of beating half a dozen races a lay. Don't console yourself with the childish depetion: 'I'll get even tomorrow!'' You wont. The remier horseman could not play six races a day and exist for long! Now, frankly, what chance have rous! I am aequainted with proficient, conservative, and therefore, successful turfmen who will, as always, get their share here and at Latonia. I make to futile promises of gaining fabulous fortunes for you hrough this medium, nor do 1 guarantee winners, or I can't control uncertainties. I don't care whether you pike along with a dollar or two, or betweek's service. This is a minimum sum and is rifing or no remuneration to me, as I pay telegraphic charges and send you private code, etc. To mow when a horse is keyed up and ripe for a strenume effort and that the animal is properly placed is unwaluable information to any speculator. Now, bon't be skeptical merely because I require so modest a sum as \$5!! During the Louisville meeting \$5 a sum as \$5!! During the Louisville meeting \$5 a sum as \$5!! During the Louisville meeting \$5 a sum as \$5!! During the Louisville meeting \$5 a sum as \$5!! During the Louisville meeting \$5 a sum as \$5!! During the Louisville meeting \$5 a sum as \$5!! During the Louisville meeting \$5 care independence who will appreciate this straightforward, unsiness talk. Once again, be conservative this spring. Address, by express letter, care any express either telegraph company, E. FITCH THOMAS.
